Experience

Technical Recruiter, Brooksource

December 2021 - Present

- Attend client meetings to gather insight on pain points and gameplan solutions
- Interview candidates for job opportunities and collect market data to best serve future business opportunities
- Collaborate with account executives for candidate feedback
- Create new opportunities through proactive recruiting and build business initiatives across the organization

Student Contact for Men's Basketball, Syracuse Athletics

August 2021 – December 2021

- Researched and developed season-long media guide used by various outlets, containing statistics and storylines for the upcoming season
- Set up press row for home games
- Communicated with players and reporters to coordinate interviews
- Transcribed interviews
- Wrote game previews and stories to be published online
- Created posts for Twitter and Instagram accounts

Communications Intern, Syracuse Athletics

August 2020 – August 2021

- Drafted news releases for Syracuse football
- Clipped highlights from sporting events using the Adobe Creative Suite
- Crafted media guides for home games
- Researched photos and news clippings of former Syracuse athletes for use in a network documentary
- Recorded statistics for home games

Writer, LakersNation

July – August 2020

- Wrote 10 news and rumor articles a week on the Los Angeles Lakers
- Researched team rumors and updates daily
- Read a wide range of outside sources to gather up-to-date information
- Analyzed interview transcripts to pull important quotations
- Met with editors to discuss upcoming articles and pitch new ideas

Staff Writer, The Daily Orange

August 2018 – March 2020

- Worked weekly with student-athletes and coaches to report on sporting activities
- Wrote two feature and news stories a week
- Regularly interviewed athletes
- Assisted other writers on staff to research and edit for articles
- Maintained a consistent timeline for team beats
